

# THE JET SET

## WHO IS?

Interested in art, adventure, cultural street fairs – in Europe, not State-side, geometric jewelry, walking barefoot. A turban is always appreciated.

**Mode of transportation:** Private jet. Or camel. Anything juiced up and ready to roll.

**Clothing:** Kaftan tunics. Egyptian sandals. Linen shorts but when in doubt, go with fabrics that breathe and don't wrinkle.

**Music:** Robyn, The Rolling Stones, Henry Mancini and Bag Raiders

## THE SETTING:

Jeweled buckets of champagne on a roof deck in the Loop. Guests sit on silk ottomans as waiters pass Persian platters and cocktails infused with hibiscus.

The Dj spins the newest remix from Paris as the sun sets on our Bedouin tent.
